KindyCube

Child friendly cubicle systems

10 YEAR PANEL INTEGRITY GUARANTEE

The KindyCube system is perfect for pre-school children. The use of Resco Antibac panels ensures the KindyCube system is strong and durable, coping with the rough and tumble of pre-school children.

Minimal dirt traps ensures cleaning is a lot easier.

Ideal ablution areas have MultiCom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with good flooring, this means – according to our customer feedback – cleaning times are halved!

Recommended for

- Schools
- Kindergartens
- Early Education Centres
- Playcentres
- Daycare Centres

Features

- Designed for the rigours of preschool children
- Allow's for the child's privacy under adult supervision
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- Resco Antibac Panels and Antimicrobial Hardware components are standard features, exclusive in New Zealand
- New Zealand's largest range of Compact Laminate colour and finishes
- New high tech glue fixing option – protects the waterproof membrane of the room and speeds installation process
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Standard Materials and Manufacture

- 13mm Resco Antibac Compact Laminate panels
- All doors and partitions finished with a smooth half round edge
- Standard cubicles are recommended in an open-in door option
- Nylon hinges for self-closing doors
- Height adjustable nylon pedestals
- Matching fixing brackets & toilet roll holders

The Park Early Education Waikato

Edge Treatment

- No edging is required as Compact Laminate is a finished product; simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Colours

PANEL COLOURS

Resco has NZ's biggest colour range.

For a full list go to:
www.resco.co.nz/colours

ALUMINIUM COLOURS

KindyCube aluminium extrusions are available in any of the Interpon powder coating colour range. Our standard colour is Silver Pearl.

For a full list go to:
www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

The KindyCube standard dimensions are:

- Height 1050 mm with 150 mm floor clearance
- Depth 1200 mm -1600 mm
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 525 mm (opening 450mm -500 mm)

Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity and 2 years on hardware
- Glue fixing system will last for 10 years minimum

Lead Time

If panel is in stock, once dimensions are confirmed, lead time can be as fast as a few days.

If accent colour range, this is ordered in and has up to a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site. Kitset includes easy to follow installation manuals and hardware.
