

Kindycube cubicle system

Perfect for the younger age group, Kindycube is designed to resist the rough and tumble of pre-school children.

Well thought out dimensions allow for a child's privacy under adult supervision, with self-closing doors that shut without locking.

Minimal dirt traps ensure these cubicles are easy clean units.

Recommended for

- Schools
- Kindergartens
- Early Education Centres
- Playcentres
- Daycare Centres

Features

- Designed for the rigours of preschool children
- Allow for child's privacy under adult supervision
- Modular kitset – easy to install
- Available in Resco AntiBac panels that kills bacteria for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- Custom made cubicles
- Easy to clean and low maintenance

Standard materials and manufacture

- 13mm Compact Laminate options:
 - Resco Antibac Compact Laminate panels
 - Laminex Compact Laminate panels
- All doors and partitions finished with a smooth half round edge
- Nylon hinges for self closing doors
- Height adjustable nylon pedestals
- Matching fixing brackets and toilet roll holders

Edge treatment

- No edging is required as Compact Laminate is a finished product, a simple furniture oil enhances the black edge.

Options

- Privacy and modesty screens to match your colour choice
- Diverse layouts including wall to wall, return cubicle or tailored to suit

Dimensions

Cubicles are custom made to your measurements while complying with the NZ building code.

The Kindycube standard dimensions are:

- Height 1050 mm with 150 mm floor clearance
- Depth 1200 mm -1600 mm
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 525 mm (opening 450mm - 500 mm)

Durability and maintenance

- Compact Laminate panels equal an extended life.
- Resco AntiBac Panel kills bacteria for the lifetime of the panel.
- Being a tough durable product it is perfect for high traffic locations and because it is impervious to water it is ideal in wet areas.
- Easily cleaned with a mild detergent.
- 10-year guarantee on panel integrity and 2 years on hardware.

Lead time

If panel is in stock, once dimensions are confirmed, lead time can be as fast as a few days

If accent colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site.

Kitset includes installation manuals and hardware.

Height adjustable pedestals

Nylon coated hinges and corner brackets

Matching toilet roll holders
