StormCube

Advanced cubicle systems

The Storm stands out with its bold lines and strong design. It is a squared off version of the popular Series 7000. It is ideal for schools and public toilets; the Storm is perfectly suited for high use areas combining the benefits of Compact Laminate and a substantial aluminium framework.

The Storm cubicle system has a strong, bold head rail supported by aluminum-rebated stiles on each side of the door, making an extremely sturdy and robust product designed for high traffic and continual public use.

Minimal dirt traps ensure cubicles are easily cleaned, with self-opening and self-closing doors.

Recommended for

- Public toilets
- Schools
- Sport and Recreational areas
- Shopping Centres
- Prisons and correctional facilities
- Youth centres
- Community Clubs
- Camping and Caravan sites
- Offices
- Hotels and accommodation complexes

Features

- Compact Laminate panels provide solutions for toilet, shower and any other wet area situations
- Resco Antibac Panels and antimicrobial hardware components are standard features, exclusive in New Zealand
- All Resco Compact Laminate panels and most hardware contain silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel and hardware
- New Zealand's largest range of Compact Laminate colour and finishes
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance
- Durable easy clean design
- Wool-pile lined door stiles soften the closing of doors
- Certified Greenguard Gold, complies with GreenStar and Living Building challenge

Edge Treatment

- No edging is required as Compact Laminate is a finished product; a simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- Shower seats and brackets
- Privacy and modesty screens to match your colour choice
- Sliding doors for accessible cubicles
- Diverse layouts including wall to wall, return cubicle or tailored to suit
- Woodgrain panels, Metallic panels and Primary colour panels

Colours

PANEL COLOURS

Resco has NZ's biggest colour range.

For a full list go to:

www.resco.co.nz/colours

or call for samples.

ALUMINIUM COLOURS

The Storm aluminium extrusions are available in any of the Interpon powder coating colour range or Silver Anodised. Our standard colour is Silver Pearl.

Antibacterial Panel

Storm is available in our exciting new Compact Laminate panel "Antibac" made with cutting-edge antimicrobial technology that continuously destroys bacteria, viruses and fungi for the lifetime of the panel.

Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

The StormCube standard dimensions are:

- Height 2000mm with 160mm floor clearance
- Depth 1600mm-1900mm (1900mm for accessible)
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 610mm (opening is 585mm)
- Accessible cubicle doors are 810mm (opening is 785mm)
- Sliding doors are also available

Southwell School

Durability and Maintenance

- Compact Laminate panels equal an extended life.
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas.
- Easily cleaned with a mild detergent.
- 10 year guarantee on panel integrity and 2 years on hardware.
- Proven graffiti-resistant surface

Lead Time

If panel is in stock, lead time can be as fast as a few days.

For CAD drawings go to: www.resco.co.nz/storm

If Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.
