# Series 5000

Standard cubicle systems

The Series 5000 cubicle system is based around a simple clean looking design, which easily blends in with any room, and like all Resco products has guaranteed longevity ensuring absolute cost-effectiveness.

Resco's most economic system, the Series 5000 retains all the strength and durability of any of our Compact Laminate products. A minimalist approach with uncluttered lines and rebated doors this is a functional, practical, economical solution for most areas.

Ideal ablution areas have Multicom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with a good flooring, this means – according to our customer feedback – cleaning times are halved!
