# Series 5000

Standard cubicle systems

**The Series 5000 cubicle system is based around a simple clean looking design, which easily blends in with any room, and like all Resco products has guaranteed longevity ensuring absolute cost-effectiveness.**

Resco's most economic system, the Series 5000 retains all the strength and durability of any of our Compact Laminate products. A minimalist approach with uncluttered lines and rebated doors this is a functional, practical, economical solution for most areas.

Ideal ablution areas have Multicom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with a good flooring, this means according to our customer feedback – cleaning times are halved!

## Recommended for

- Public areas
- Schools
- Sport and recreational areas
- Shopping centres
- Community clubs
- Camping and caravan sites, camp grounds
- Offices
- Hotels

## Features

- Compact Laminate panels provide solutions for toilet, shower and any other wet area situations
- Resco Antibac Panels and Antimicrobial Hardware components are standard features, exclusive in New Zealand
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- New high tech glue fixing option – protects the waterproof membrane of the room and speeds installation process
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance.
- Most cost effective and popular New Zealand system
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

## Edge Treatment

- No edging is required as Compact Laminate is a finished product; simple furniture oil enhances the black edge.
- Resco Antibac Panel will not delaminate

## Options

- Shower seats and brackets
- Privacy and modesty screens to match your colour choice
- Sliding doors for accessible cubicles
- Diverse layouts including wall to wall, return cubicle or tailored to suit
- Woodgrain panels, Metallic panels and Primary colour panels

## Colours

### Panel Colours

Resco has New Zealand's biggest colour range. For a full list go to:

[www.resco.co.nz/colours](http://www.resco.co.nz/colours)

### Aluminium colours

The Series 5000 aluminium extrusions are available in any of the Interpon powder coating colour range. Our standard colour is Silver Pearl.

For a full list go to:

[www.resco.co.nz/colours](http://www.resco.co.nz/colours)

See the website or call for colour options and samples.

## Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

### The Series 5000 standard dimensions are:

- Height 1975mm with 160mm floor clearance
- Depth 1600mm-1900mm (1900mm for accessible)
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 610mm (opening is 596mm)
- Accessible cubicle doors are 810mm (opening is 796mm)
- Sliding doors are also available

Macleans College

## Durability and Maintenance

- Our Compact Laminate panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas.
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity and 2 years on hardware
- Glue fixing system will last for 10 years minimum

## Lead Time

If your panels are in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

## Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site. Kitset includes easy to follow installation manuals and hardware.
