MultiCube®

Suspended cubicle systems

The MultiCube system is perfect for an easy to clean ablution area. The use of Resco Antibac panels ensures MultiCube is strong and durable and has a floating look. Cantilevered off the back wall and suspended above the floor with no fixing to the ceiling, the MultiCube system doesn't have dirt traps on the floor - ensuring cleaning is a lot easier.

A minimalist approach with uncluttered lines and rebated doors this is a functional, practical, easy to clean solution, popular with end users.

Ideal ablution areas have MultiCom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with good flooring, this means - according to our customer feedback - cleaning times are halved!

Recommended for

- Public areas
- Schools
- Sport and recreational areas
- Shopping centres
- Community clubs
- Camping and caravan sites, camp grounds
- Offices
- Hotels

Features

- Resco Antibac panels provide solutions for toilet, shower and any other wet area situations
- Resco Antibac Panels and Antimicrobial Hardware components are standard features, exclusive in New Zealand
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- New high tech glue fixing option - protects the waterproof membrane of the room and speeds installation process
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance
- Easiest to clean New Zealand system
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Papamoa Beach Resort

Standard Materials and Manufacture

- 13mm Resco Antibac Compact Laminate panels
- Full height wall channels and strong headrail
- Optimised privacy with flush in-line doors and rebated edges
- Standard cubicles are recommended in an open-in door option
- Antimicrobial hardware including slide lock indicator

Edge Treatment

- No edging is required as Compact Laminate is a finished product; a simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- Full screens and modesty screens to match your colour choice
- Sliding doors for accessible cubicles
- Cubicles need to be wall to wall. If accessible or return cubicles are required, a pedestal will need to be added, call Resco to discuss further
- Woodgrain panels, Metallic panels and Primary colour panels
- Shower shelves and brackets

Colours

Panel Colours

Resco has New Zealand's biggest colour range. For a full list go to:

www.resco.co.nz/colours

Aluminium colours

MultiCube aluminium extrusions are available in any of the Interpon powder coating colour range. Our standard colour is Silver Pearl. For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the New Zealand building code.

The MultiCube standard dimensions are:

- Height 2076mm with 160mm floor clearance
- Depth 1600mm-1800mm (1900mm for accessible)
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 610mm (opening is 596mm)
- Accessible cubicle doors are 810mm (opening is 796mm)
- Sliding doors are also available

Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas.
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity and 2 years on hardware
- Glue fixing system will last for 10 years minimum

Lead Time

If your panels are in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site. Kitset includes easy to follow installation manuals and hardware.
