Screens

Perfect for high use areas

Resco's privacy screens are perfect for any high use and wet ablution areas. Our range includes modesty screens in between urinals to full height screens for maximum privacy.

The use of Resco Antibac panels ensures our screens are strong and durable and provide extended product life. Screen colours can be matched or contrasted to the cubicle systems and MultiCom wall panelling.

Ideal ablution areas have MultiCom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with good flooring, this means – according to our customer feedback – cleaning times are halved!

Recommended for

- Public areas
- Schools
- Sport and recreational areas
- Shopping centres
- Community clubs
- Camping and caravan sites, camp grounds
- Offices
- Hotels

Features

- Resco Antibac panels provide solutions for toilet, shower and any other wet area situations
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- Custom made screens
- Easy to clean and low maintenance.
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Edge Treatment

- No edging is required as Resco Antibac Panel is a finished product; simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- Full screens
- Modesty screens
- Shower screens
- Shower shelf

Colours

Panel Colours

Resco has New Zealand's biggest colour range. For a full list go to:

www.resco.co.nz/colours

Aluminium Colours

Screen aluminium extrusions are available in any of the Interpon powder coating colour range or Silver Anodised. Our standard colour is Silver Pearl.

For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As screens are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

Full screens

– 600-1800 wide x 1800mm high

Modesty screens

– 350 x 900mm high

Shower screens

– 300 x 1750mm high

Shower shelf

– 250 x 600mm wide

Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity

Lead Time

If your panels are in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco Screens can be delivered to site.
