

Aquatic Seats

Perfect for high use areas

PRODUCT GUIDE

Aquatic Seats

Perfect for high use areas

Resco's Aquatic Bench Seats are perfect for seating within Aquatic Buildings and changing areas. Our Seats are Custom made to suit and includes Free standing and Wall Mounted options.

The use of Resco Antibac panels ensures seats are strong, durable and easy clean and provide extended product life. Aquatic Seats can be colour matched or contrasted to the cubicle systems and MultiCom wall panelling.

Recommended for

- Swimming pool areas
- Ablution areas
- Changing areas
- Sport and recreational areas
- Public areas
- Schools
- Shopping centres
- Community clubs

Features

- Resco Aquatic Seating provides solutions for wet area situations
- Custom made seats to suit wall mounted or freestanding options
- Powder coated solid steel brackets
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- Easy to clean and low maintenance.
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Edge Treatment

- No edging is required as Resco Antibac Panel is a finished product; simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- Wall mounted
- Free standing

Colours

Panel Colours

Resco has NZ's biggest colour range.

For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Bracket Colours

Powder coated Steel brackets. Our standard colour is Black.

For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As Seats are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code. Typically these are 450 deep and 475mm high

Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity

Lead Time

Brackets are typically 4 weeks once manufactured and Powder coated.

If your panel colour is in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as these can be delivered to site.
