Lockers

Perfect for high use areas

Resco's Lockers are perfect because these are custom made and are able to cope with the high use they get. They come in 1,2,3,4 door options, and even a Z door option.

The use of Resco Antibac panels ensures our lockers are strong, durable and easy clean and provide extended product life. Lockers can be colour matched or contrasted to the aquatic seating, MultiCom wall panelling and cubicles.

Recommended for

- Swimming pool areas
- Ablution areas
- Changing areas
- Sport and recreational areas
- Public areas
- Schools
- Shopping centres
- Community clubs

Features

- Resco Lockers provides solutions for customers
- Custom made and can be put on plinths
- Hafele hardware or whatever is specified
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- New Zealand's largest range of Compact Laminate colour and finishes
- Easy to clean and low maintenance
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Edge Treatment

- No edging is required as RescoAntibac Panel is a finished product; simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

Options

- 1 door
- 2 door
- 3 door
- 4 door
- Z door

Colours

Panel Colours

Resco has NZ's biggest colour range. For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Hardware options

Range of options from standard key lock, digital lock, key pad lock.

Dimensions

As Lockers are custom made to your measurements, depths and widths can be varied to suit. Typically measurements are 1800mm high x 500mm deep x 300mm wide, and if there is a plinth this is 110mm.

Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity

Lead Time

If your hardware and panel colour is in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as these can be delivered to site.
