StormCube

Advanced cubicle systems

The StormCube stands out with its bold lines and strong design. It is a squared off version of the popular Series 7000. It is ideal for schools and public toilets; the Storm is perfectly suited for high use areas combining the benefits of Compact Laminate and a substantial aluminium framework.

The StormCube system has a strong, bold head rail supported by aluminum-rebated stiles on each side of the door, making an extremely sturdy and robust product designed for high traffic and continual public use.

Minimal dirt traps ensure cubicles are easily cleaned, with self-opening and self-closing doors.

Recommended for

- Public toilets
- Schools
- Sport and Recreational areas
- Shopping Centres
- Prisons and correctional facilities
- Youth centres
- Community Clubs
- Camping and Caravan sites
- Offices
- Hotels and accommodation complexes

Features

- Compact Laminate panels provide solutions for toilet, shower and any other wet area situations
- Resco Antibac Panels and antimicrobial hardware components are standard features, exclusive in New Zealand
- All Resco Compact Laminate panels and most hardware contain silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel and hardware
- New Zealand's largest range of Compact Laminate colour and finishes
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance
- Durable easy clean design
- Wool-pile lined door stiles soften the closing of doors
- Certified Greenguard Gold, complies with GreenStar and Living Building challenge

Cambridge Athletic Club

Hamilton Boys High

OPTION 1: Anti-Microbial high-gloss coated Zinc alloy

See the website or call for colour options and samples.

Antibacterial Panel

StormCube is available in our exciting new Compact Laminate panel "Antibac" made with cutting-edge antimicrobial technology that continuously destroys bacteria, viruses and fungi for the lifetime of the panel.

Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the New Zealand building code.

The StormCube standard dimensions are:

- Height 2000mm with 160mm floor clearance
- Depth 1600mm-1900mm (1900mm for accessible)
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 610mm (opening is 585mm)
- Accessible cubicle doors are 810mm (opening is 785mm)
- Sliding doors are also available

Durability and Maintenance

- Compact Laminate panels equal an extended life.
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas.
- Easily cleaned with a mild detergent.
- 10 year guarantee on panel integrity and 2 years on hardware.
- Proven graffiti-resistant surface

Lead Time

If your panels are in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.
