Vanities

Perfect for high use areas

Resco Vanities are the perfect solution for any ablution area and like all Resco products has guaranteed longevity ensuring absolute cost-effectiveness.

Vanities come in either:

- Under-bench Vanities with Stainless steel sink
- Semi-recessed Vanities with Porcelain sinks

Our Vanities are preassembled, easy to install and ready for plumbers to connect to.

Designed with minimal dirt traps our vanities allow for simple and efficient cleaning.

Suitable for high and low pressure water supply systems in high use ablution areas.

Recommended for

- Public areas
- Schools
- Sport and recreational areas
- Community clubs
- Camping and caravan sites, campgrounds
- Shopping centres
- Hotel complexes

Features

- Made from Resco Panels, vanities are impervious to water so are suitable for high use and wet areas
- Vanities are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- Easy to clean and low maintenance
- CNC machined rebated join front edge
- Custom made
- New Zealand's largest range of CompactLaminate colour and finishes
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

Options

- As vanities are custom made, different configurations are available, including single or multiple sinks
- Under-mounted or semi-recessed basins
- Woodgrain panels, Metallic panels and Primary colour panels

Colours

Panel Colours

Resco has NZ's biggest colour range. Woodgrain panels, Metallic panels and Primary colour panels.

For a full list go to:

www.resco.co.nz/colours

See the website or call for colour options and samples.

Dimensions

As vanities are custom made to your measurements, depths and widths, they can be varied to suit.

Vanity standard dimensions are:

- 1 Sink and Mixer
- 900 wide x 300-500mm deep
- 2 Sinks and Mixers
- 1800 wide x 300-500mm deep
- 3 Sinks and Mixers
- 1800 wide x 300-500mm deep
- 6 Sinks and Mixers
- 3600mm wide x 300-500mm deep
- All vanities come with a standard 250mm down stand and a 100mm high up stand

Durability and Maintenance

- Our Compact Laminate panels ensure an extended life and minimal maintenance
- Resco Antibac panel and Antimicrobial hardware surfaces kill bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas. Easily cleaned with a mild detergent
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity

Lead Time

If your panels are in stock, once dimensions are confirmed, lead time can be as fast as a few days. If you choose the Designer colour range, this is ordered in and has a 12 week lead time.

Contact our team for accurate lead times.

Installation

Resco has an installation service available, or customers can install themselves as Resco Vanities can be delivered to site.
