## PRODUCT GUIDE

The Children's Corner

# KindyCube

Child friendly cubicle systems

The KindyCube system is perfect for pre-school children. The use of Resco Antibac panels ensures the KindyCube system is strong and durable, coping with the rough and tumble of pre-school children.

Minimal dirt traps ensures cleaning is a lot easier.

Ideal ablution areas have MultiCom on the wall linings, glue fixed cubicles allowing superb protection of any waterproof membrane. In combination with good flooring, this means – according to our customer feedback – cleaning times are halved!

## Recommended for

- Schools
- Kindergartens
- Early Education Centres
- Playcentres
- Daycare Centres

## Features

- Designed for the rigours of preschool children
- Allow's for the child's privacy under adult supervision
- All Resco Compact Laminate panels are Antibac, using silver ion antimicrobial technology that continuously destroys harmful bacteria, for the lifetime of the panel
- Resco Antibac Panels are standard and exclusive in New Zealand
- New Zealand's largest range of Compact Laminate colour and finishes
- New high tech glue fixing option – protects the waterproof membrane of the room and speeds installation process
- Custom made cubicles
- Easy to clean (cleaning time notably reduced) and low maintenance
- Certified Greenguard Gold, complies with GreenStar & Living Building challenge

## Standard Materials and Manufacture

- 13mm Resco Antibac Compact Laminate panels
- All doors and partitions finished with a smooth half round edge
- Standard cubicles are recommended in an open-in door option
- Nylon hinges for self-closing doors
- Height adjustable nylon pedestals
- Matching fixing brackets

Hamilton Lake Kindy

## Edge Treatment

- No edging is required as Compact Laminate is a finished product; simple furniture oil enhances the black edge
- Resco Antibac Panel will not delaminate

## Colours

### PANEL COLOURS

Resco has NZ's biggest colour range.

For a full list go to:

[www.resco.co.nz/colours](http://www.resco.co.nz/colours)

### ALUMINIUM COLOURS

KindyCube aluminium extrusions are available in any of the Interpon powder coating colour range. Our standard colour is Silver Pearl.

For a full list go to:

[www.resco.co.nz/colours](http://www.resco.co.nz/colours)

See the website or call for colour options and samples.

## Dimensions

As cubicles are custom made to your measurements, depths and widths can be varied to suit, while complying with the NZ building code.

The KindyCube standard dimensions are:

- Height 1050 mm with 150 mm floor clearance
- Depth 1200 mm -1600 mm
- Standard cubicles are recommended in an open-in door option
- Standard cubicle doors are 525 mm (opening 450mm -500 mm)

## Durability and Maintenance

- Our Resco Antibac panels ensure an extended life and minimal maintenance
- Resco Antibac panel kills bacteria, viruses and fungi for the lifetime of the product
- Tough and durable, Resco products are perfect for high traffic locations, and because our panel is impervious to water it is ideal in wet areas
- Superb ease of cleaning and can even be hosed
- 10-year guarantee on panel integrity and 2 years on hardware
- Glue fixing system will last for 10 years minimum

## Lead Time

If panel is in stock, once dimensions are confirmed, lead time can be as fast as a few days.

If accent colour range, this is ordered in and has up to a 12 week lead time.

Contact our team for accurate lead times.

## Installation

Resco has an installation service available, or customers can install themselves as Resco cubicles come as a kitset delivered to site. Kitset includes easy to follow installation manuals and hardware.
